JULY 2020 FAC POSTAL MINI NATIONALS

STARTS: SUNRISE JULY 4TH 2020 ENDS: SUNSET JULY 31ST 2020

OK Pilots, climb into your pits cause it's time for the first snail mail Mini Nat's Postal Contest! Dust off your favorite creates! Motors well lubed? Props oiled and balanced? Trim tabs set? Pack max turns into your Tan rubber tanks and let's take off in search of HUNG, Great God of Thermals! Yes, sir Wingsters, here's another chance to gain glory and victory and improve your standing on the FAC Kanone list!

Eight Great Kanone Worthy Events!

Here's how it works: No Scale Judging, No Bonus Points, No Factoring or Max Times. ALL Events are timed as follows: BEST 3 of 6 Flights, THEN the AVERAGE of your BEST 3 FLIGHTS. The events are listed below with corresponding mailing addresses. Fill out a 35 cent USA Post Card (Snail Mail only HAWWWW!) with Your Name, Model Flown, Average Time and Event Number (comments also welcomed). Send your score to the corresponding address. One entry per event/per flyer.

NOW for the Kicker...WINNING time (20-360 secs) in each event will be "drawn from a hat" at the end of the contest. Closest time without going over wins, ties broke by post mark date. Kinda like target time, without knowing the target!
