

HIGH WING PEANUT

The High Wing Peanut event is run as a sub-category of FAC Peanut Scale (event #1).

1. Open to any high-wing Peanut Scale model, including unusual configurations.
2. High Wing Peanut Scale is run in every respect according to the same official event rules and scoring as FAC Peanut Scale (event #1).
3. When High Wing Peanut and FAC Peanut Scale are listed as events at a contest, high-wing Peanut Scale models **MUST** compete in High Wing Peanut. They may not compete in the general FAC Peanut Scale class.
