

HALF GOLLYWOCK PROVISIONAL RULES

Event open to either version of Wally Simmers' "Gollywock," either the pre-war (rounded stab and sheet fin) or the post-war version (rectangular stab and built-up fin).

A. Must be 50% scale, i.e. wing area : 34 square inches, \pm a bit.

B. No messing with plan! Must use the construction and layout as used on the full-sized model (wood dimensions scaled down 50% from plan). Exceptions:

1. No sliced ribs or lightening holes.
2. Bamboo curves may be replaced by balsa sheet or laminations.
3. Wing position may be shifted fore/aft for balancing.
4. Props: free-wheelers only and diameter may not exceed 7 inches.

C. Minimum weight: none.

D. Launch: hand.

E. Half Gollywock models may qualify for Old Time Rubber Stick, but may not fly in OTRS if there is a Half Gollywock event at the meet.

F. Flight scoring: three-flight total, 120-second maxes, or mass launch.

G. Flyoffs: per FAC OTR rules.
