EMBRYO

PHANTOM FLASH

\* COMBINED EVENTS

\*\* May be converted to a mass launch event – decision to be made at the field.

### FLY AN EVENT EITHER DAY:

FAC timed events can be flown on either day but once started must be finished on the same day.

### MASS LAUNCHES:

Please sign up in advance - use the mass launch sign up form located at the FAC Official table if you intend to fly in any mass launch during the weekend.

### SCHEDULE:

WWI	Saturday 10:00 am
WWII	Sunday 1:00 pm
Greve/Thompson	Saturday 1:00 pm
Flying Horde	Sunday 10:00 am

Pilot/mechanic briefing will be held 10 min before each mass launch. Please find a mechanic and bring him/her to the briefing along with a stopwatch. Mass Launch events are timed by

your mechanic. Binoculars are recommended. Be prepared to wind in the field. Stooge winding will be at the discretion of the CD.

### **SCALE JUDGING:**

Scale judging of models not previously judged will be done at the field, 11:00am to noon each day. Scale judges have the option of reusing previously recorded scale scores unless the contestant requests that the model be judged again, such as through the addition of details.

Registration will be at the field. Entry Fee is \$20.00. For those interested, we'll meet for dinner Saturday night at our usual place, the Main Street Pub in downtown Gainesville.

### **AMA license required.**

A new license can be purchased at the field if you don't have one or it has expired.
